## RASHTRIYA MILITARY SCHOOL, BANGALORE

## ACHIEVEMENTS HONOURS & AWARDS INFRASTRUCTURE DEVELOPMENT

## Kudos to Maj Gen AK Singh, VSM GOC, K&K Sub Area (Alumnus of RMSB)

It gives RMS Bangalore fraternity immense pleasure and a sense of pride in putting across that Major General AK Singh, VSM an old boy of the school ( Cadet number 1421 / Nehru House, Jul 1969 to Mar 1976 ) GOC K&K Sub Area and Chairman Local Board of Administration of RMS Bangalore has immensely contributed in giving facelift & fresh look to his almamater. His regular visits to the school with a sparkle in his eyes and a zeal to give back the maximum to his alma mater has made all the difference.

General Officer has a vision to see his school scale greater heights and has taken special and keen interest for the infrastructural development of the school. For the visitors who have visited the school in previous years, this year's visit would leave them awestruck and surprised. Due to his personal involvement, the MES works and services got quickened and the magnitude of MES works allotted to RMS Bangalore has also increased. Infrastructural development, widening of the roads & pathways along the approach road speak a lot about the officer's timely support to the school. No area is untouched from his concern for the school. For the over all physical development of the cadets, obstacles training area on the lines of SSB has been planned and materialized. The fruits of this would soon be reaped by the school. RO for the cadets' Mess speak of his concern for the cadets of the school. Four Video Projection Systems fitted in class rooms from financial assistance given by LBA chairman & proving a helping tool in effective teaching- learning process. A beautiful children's park for the staff children has left the campus echoing with chuckles and laughter's of the kids. Twenty new quarters for Group 'C' employees and ongoing construction of six qtrs for assistant masters has filled our hearts with adoration for this old boy of the school. After dusk, new street lights leave the campus in the brightness of his love for his school. A visitor would be left mesmerized seeing the new signboards on either sides of the road. It stands as a motivation for the present cadets as well.

Under his inspiring leadership school produced excellent NDA & CBSE results. Our gratitude to Major General AK Singh, VSM for a complete make over of the school and above all, for being an inspiration to the future officers of armed forces.
